7700 Las Vegas Blvd. South Suite # 1
Las Vegas, NV 89123

April 4, 2013

Richard Cole
President/owner
HumiClear, LLC.

Dear Richard,
We first installed your system at our former Bootlegger location in 1986, we have had your humidity system in our two walk-in coolers at our original location and our newer one on Las Vegas Blvd. The temperature and humidity levels dropped. The wall, ceiling and floors are dryer and we like the way it helps with any odors. I have recommended your service in the past and will continue to do so.

Sincerely,

Joel Davies
